### **Delivery Times**

**ORDER EARLY!** Since we do not carry large quantities of in-stock items, it is important that you allow at least ***8-10 weeks from order date (especially during the busy season of October through March)***. You must allow an extra 5 days on top of this for shipping time. After March 1<sup>st</sup>, we do have many of our costumes in stock. If an item is in stock it will be processed and shipped within 2-3 business days. Please email us to check costume inventory and availability. We are happy to ship any in stock items right away even if your entire order is not in stock. This may, however, incur an additional shipping cost.

### Sizing

We are always happy to assist you with any sizing questions you might have. Please refer to the sizing chart on the order form. All of our costumes come in teen/adult sizes XS, S, M, L, and XL. The costumes available in child sizes will be noted next to the costume name on the price list. Child Large and Adult XS are equivalent sizes. If your dancer falls in between sizes, we recommend that you order the next size up. The girth measurement is most important when ordering leotards, one piece costumes, and dresses.
